save £30 for first time subscribers

Now approaching it's twentieth year, **esprit** is the stylish business magazine for the premium side of the perfumery, cosmetics and skincare market covering the industry in the UK and Southern Ireland. **esprit** is the primary source of news and comment within this industry.

Each month **esprit** covers all the latest launches and indusrty news. Its broad editorial content also includes training and sales techniques and exploring the link between beauty and fashion.

Subscribers include consultants, retail buyers and managers in department stores, perfumeries and multiple chemists, senior management of companies manufacturing and distributing fragrances, cosmetics and toiletries and suppliers to the industry including sampling and fragrance creation companies, public relations firms and media owners etc.

For more information about **esprit** visit our website:
